

## **BYOD Device Buyers Guide for 2018-2019**

At Forrest Hill School we use Chromebooks as our BYOD. Chromebooks are the number one devices in primary schools because they're easy to use, versatile, and secure. Chromebooks come as laptops and tablets with big screens and small screens, and entry models are affordable.

NB. The HP STREAM is not a Chromebook and we highly discourage these devices as they perform poorly in our digital learning environment.

**Recommended Devices:** All available at PB Tech Online or Instore.

HP ChromeBook 11 G6 Semi Rugged Design Education Chromebook  
Specs: 11.6" 4GB 32GB SSD  
Educational Cost: **\$323.25 +GST**

ASUS C202SA-GJ0066 Premium Rugged Education Chromebook  
Specs: 11.6" Anti-Glare Intel Celeron N3060 4GB 16GB  
Educational Cost: **\$303.00+GST**

Lenovo 100E ChromeBook  
Specs: 11.6" Intel Celeron N3350 4GB 32GB  
Educational Cost: **\$321 50+GST**

Acer C731E Premium Education Chromebook  
Specs: 11.6" Intel Celeron N3160 Quad Core 4GB 16GB  
Educational Cost: **\$330.75 +GST**

Bundle deals are available on all models. We recommend a hard shell carry case and wireless mouse. Above prices based on PB Tech Educational Prices.

### **Recommended Retailers:**

We have a positive history with dealing with PB Tech. They have a good variety of Chromebooks and often have specials.

BYOD Link: <https://www.pbtech.co.nz/education/byod>

Noel Leemings is another retailer that deals regularly with schools across New Zealand.

They have a helpful website: <https://www.noelleeming.co.nz/byod-chromebook>

FHS Contact: Dave Singh or Jas Singh 3-5 Crofffield Lane Wairau Park 0800444488 EX 96500

**There are many retailers offering devices. It's ultimately your choice. My advice is to shop around and find the deal that best meets your needs.**
