

BYOD Device Buyers Guide for 2019-20

At Forrest Hill School we use Chromebooks as our BYOD. Chromebooks are the number one device in primary schools because they're easy to use, versatile, secure and affordable.

NB. The HP STREAM is not a Chromebook and we highly discourage these devices as they perform poorly in our digital learning environment.

Recommended Devices: All available at PB Tech Online or Instore.

Lenovo 100E ChromeBook

Specs: 11.6" MediaTek MT8173C 4GB 32GB

Cost: **\$322.00 Inc GST**

HP ChromeBook 11 G6 Semi Rugged Design Education Chromebook

Specs: 11.6" Intel Celeron N3350 4GB 32GB SSD

Cost: **\$333.50 Inc GST**

Acer C731E Premium Education Chromebook

Specs: 11.6" Intel Celeron N3160 Quad Core 4GB 16GB

Cost: **\$330.75 +GST**

ASUS C202SA-GJ0066 Premium Rugged Education Chromebook

Specs: 11.6" Anti-Glare Intel Celeron N3060 4GB 16GB

Cost: **\$333.50 Inc GST**

Bundle deals are available on all models. We recommend a hard shell carry case and wireless mouse. Above prices based on PB Tech Online Prices. Ask for an educational price.

Recommended Retailers:

We have a positive history with dealing with PB Tech. They have a good variety of Chromebooks and often have specials.

BYOD Link: <https://www.pbtech.co.nz/education/byod>

Noel Leemings is another retailer that deals regularly with schools across New Zealand.

They have a helpful website: <https://www.noelleeming.co.nz/byod-chromebook>

FHS Contact: Dave Singh or Jas Singh 3-5 Croftfield Lane Wairau Park 0800444488 EX 96500

There are many retailers offering devices. It's ultimately your choice. My advice is to shop around and find the deal that best meets your needs.
